

**BILL OF RIGHTS FOR PERSONS WITH DISABILITIES**

Chapter 393 of the Florida Statutes says that you have the right:

1. To dignity, privacy, and humane care
2. To religious freedom.
3. To services that protect personal liberty and provide the least restrictive environment to achieve the treatment outcomes.
4. To an appropriate quality education and training service.
5. To social interaction and to participate in community activities.
6. To physical exercise and recreational opportunities.
7. To freedom from physical harm, abuse, neglect, physical, and chemical restraint.
8. To consent to or refuse treatment.
9. Not to be discriminated against due to a developmental disability.
10. To vote.

I have received a copy of my rights and have had a chance to talk about them with my provider.  
I know I can ask to talk about my rights at any time with United Family Health Care and they will help me understand my rights
